

## The Cathedral of St. John the Evangelist

**Bishop Jeffrey R. Haines**

Auxiliary Bishop, Archdiocese of Milwaukee  
Rector & Pastor, Cathedral of St. John the Evangelist

July 27, 2017

Dear Parishioners and Friends,

In chapter three of the book of Ecclesiastes we are reminded that there is an “appointed time for everything, and a time for every affair under the heavens,” even change! With my appointment and ordination as Auxiliary Bishop of the Archdiocese of Milwaukee and the Archbishop’s plan to keep me as the Rector and Pastor of the Cathedral Parish we are afforded a great new opportunity. However, with this new opportunity we must look at the Mass schedule given my dual responsibilities.

The Pastoral Staff and I have looked at our current Mass schedule and after study and consultation with our Parish Pastoral Council have determined that with our new opportunity and current activities in the area an adjustment to the schedule has become necessary. Therefore, beginning Sunday, September 10 we will go to three Masses each weekend. Masses will be celebrated at **5:15 p.m.** (Saturday, Mass of Anticipation), **9:00 a.m. and 11:00 a.m.** The Sunday morning schedule will afford us the opportunity to have more formation programs and hospitality between the Masses.

Thank you for your understanding as we move toward September 10! In the weeks ahead there will be many announcements reminding us of the change and a number of communications tools employed to “get the word out.”

Should you have any questions, please feel free to ask me or any of the Pastoral Staff.

Yours in Christ,

*Bishop Jeff. Haines*
