My name is Mrs. Carolyn Ferda. It may seem familiar to some as I have had several roles at Catholic East over the years. When I was a student at Marquette, I had a reading placement in the fifth grade classroom. Highly impressed with Catholic East, I started working at Kids Campus and in various other roles. The following year, I became the second grade teacher for five years, and then moved to first grade for one year. I am excited to say I will be returning to Catholic East in the fourth grade classroom with Mrs. Opgennorth.
