#MissionMoment

On Thursday, March 5, the Catholic East faculty and staff of Catholic East gathered for a Faith & Fellowship Lenten mini-retreat. Realizing the importance of taking time to re-center ourselves and reflect, we began with Mass celebrated by Bishop Jeff and Father John. Bishop Jeff used his homily as an opportunity to share with us his Lenten insights based on the first reading, from the Old Testament book of Esther.

Esther’s story focuses on how God’s hand works silently and continuously in all things, including our lives. Our Jewish brothers and sisters will be observing Purim next week. This holiday celebrates the story of Ester as a reminder that God has been - and always will be - there for us. As we progress through Lent, we should not focus on what we must give up. Instead, we should focus on what we can do for others. All of us are called to be God’s hands for others as illustrated by the king in the story of Esther. #WePray
