Say hello to our newest servers William and Denae. They were such big helpers for Father John and we are so proud of them. Continuing the tradition of service to the church. Thank you for being role models to us all. #WeServe

A few weeks ago, we mentioned that our K4, 2nd, and 3rd grade classes created Christmas cards for the East Side Seniors. We received a heartfelt phone call from Ms. Carolyn who wanted to let Maya/Mya know she loved her card and it was sweeter and better than any other gift she has received. Not sure what Mya/Mya made her card but we wanted to share the message. Thank you again to all who created cards. From talking to the program director, she said it meant the world to those who received them. Know that Catholic East is in their prayers as we begin our Christmas break. #WePray
