    ▪ Update on Rectory Construction-Rectory construction is complete.
    ▪ Update on Lease with New Tenant for Office Space-The new tenant for the office space is not yet decided-Vincentians or the Cathedral Center.
    ▪ Listening session
      • Bishop Haines spoke to the difficult topic of the aftermath of the report sent to the Archdiocese. Archbishop Listecki has delivered a pastoral letter which among other things, directed removal of the Archbishop Cousins name for the Archdiocesan Center and requested the Cathedral do the same with regard to the building named for Archbishop Emeritus Weakland. This was done virtually immediately, at my direction.
      • The matter had been discussed at the Finance Council Meeting. Some members felt the decision was wrong and requested a new listening session for those who wish to formally present their views.
      • Pat K. and Craig volunteered to organize the listening session so that those interested in giving testimony on behalf of Archbishop Emeritus Weakland’s special gifts might speak. A program to recognize and honor those gifts might be proposed, created and presented for approval. Craig and Pat K. will meet in the next few days to discuss how to move forward with the assignment of acknowledging parishioner input regarding Archbishop Emeritus Weakland’s contributions to the Cathedral. They will do the work to arrange an event with the interested parties.
      • Bishop Haines felt that what was done was done for the greater good of the Church. Fr. Gonzales felt that it was done out of respect for the
victims of sexual abuse. The decision was very painful for those who knew Archbishop Emeritus Weakland.

- These matters were discussed over 35 minute with input from several PC members.
