We are a welcoming Eucharistic community committed to growing together as disciples of Jesus Christ. As both a parish and the Mother Church of the Archdiocese, we serve as a beacon of faith, a patron of the arts and a haven and advocate for people who are poor and marginalized.

Somos una comunidad eucarística acogedora comprometida a crecer juntos como discípulos de Jesucristo. Como parroquia y como Iglesia Madre de la Arquidiócesis, servimos como un faro de fe, un patrón de las artes y como refugio y defensa de las personas pobres y marginadas.

February 5, 2023 - 5th Sunday in Ordinary Time

I recently decided to learn to cook. As I sit at the feet of various YouTube cooking masters, I notice how much of cooking is adding ingredients that don't provide any more nourishment, like herbs and other seasonings. But man! They make all the difference because they make the meal delightful to eat and share.

Jesus calls his disciples "salt of the world." No one eats just salt. So, Christians are not meant to replace or do away with the world. They are meant to be agents of preservation and glorification. Notice how often these days the Church seeks to preserve what is threatened: the goodness of marital and family love, the desires of young people for greatness, the value of honest work, healthy economics, and altruistic political engagement, the dignity of the poor and vulnerable. Over and over, we say to a world who wants to throw things out, "It's worth saving! We'll preserve it! We'll show you it's wonderful." If we can't engage the world like that, Jesus says we are the ones who get thrown out, because salt alone is worthless.

Jesus only asks us to do for others what he does for us. He is the "salt" of everything in our lives. Is there something in your life starting to rot a bit? Something tasting bland and boring? Let Jesus salt it and see if you like it better.
